Sir:

In the Information Disclosure Statement that was filed on August 23, 2006 in the above-captioned application, among the documents brought to the Examiner's attention was the following document:

- (1) Japanese Patent Publication No. JP 2005-092971 A, together with an English language Abstract of the same.

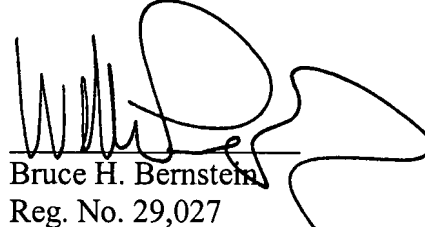

However, on the PTO-1449 Form that accompanied the Information Disclosure Statement of August 23, 2006, the publication number of the above-noted document was erroneously listed as "2001-092971", instead of "2005-092971". Applicants assume that despite this unintentional error, the above-noted document was considered by the Examiner since the document was correctly noted on the Information Disclosure Statement of August 23, 2006, and

a copy of the correct document (including an English language Abstract) was submitted with the Information Disclosure Statement.

To correct the record, Applicants have listed the above-noted document, including an English language Abstract, on an attached Form PTO-1449. Applicants respectfully request that the Examiner initial the appropriate spaces on the attached Form PTO-1449 and return a copy of the completed Form PTO-1449 to Applicants to confirm consideration of the document.

Should the Examiner have any questions, the Examiner is invited to contact the undersigned at the below-listed telephone number.

Respectfully submitted,
Satoshi HASHIMOTO et al.
